INSTALL/REMOVAL Liability of Damage Waiver

Older factory paint jobs, after market paint jobs or factory paint jobs with defects, could be damaged by the installation and/or removal of vehicle lettering and graphics. Graphics will be installed and/or removed with utmost care and utilizing years of experience.

azpro cannot be responsible for any damage to a customer's paint job during the installation or removal of the vehicle graphics due to underlying issues with the surface of the vehicle.

Vinyl graphics have an expected life of 1-2 years for non-vertical applications and 3-5 years for vertical applications. Graphics that are left on longer than noted above are prone to having damage occur prior to and during the removal process.

I wish to acquire the services of **azpro** and in doing so, I acknowledge that **azpro** has made me aware of the possibility of damage to my vehicle by installing or removing graphics on my vehicle and I will not hold **azpro** liable for any damage to my vehicle.
